¹**Deceased Spouse Data:** New cross-year files containing deceased spouse information are in preparation. If you need immediate access to deceased spouse data, please contact HRS.

²**File Formats:** **X** - PGP self-decrypting archive file (Windows only); **P** - PGP encrypted file (all operating systems). All restricted data products will be supplied on CDROM unless otherwise requested. We attempt to package restricted data files in formats that can be read by the majority of our users. If the listed formats do not meet your needs, please contact us at hrsquest@isr.umich.edu.
