

Release 1 Module B: Activities of Daily Living (1)

B1. Although we have finished the interview, we would like to ask you a few additional experimental questions. They are very similar to questions we have already asked you, but researchers are interested in how people respond when the questions are changed just a little. These questions are about how well you are able to do certain activities--by yourself and without using special equipment.

B1. Because of a health or physical problem, do you have <u>any</u> difficulty ...	B2. Is this because of a <u>health</u> or <u>physical</u> problem?	B3. By yourself and without using special equipment, how much difficulty do you have (ACTIVITY)--some, a lot, or are you unable to do it?
